REDE MOSQUITEIRA

MOSQUITO NET

Sinta toda a liberdade, conforto e proteção em sua casa com as soluções de alumínio para a rede mosquiteira.

A rede mosquiteira navarra® é o sistema ideal para ventilar a sua casa durante o tempo quente, sendo uma proteção eficaz e funcional contra a entrada de insetos.

A rede mosquiteira é uma opção complementar às janelas, com duas soluções de aplicação:

- Integrada no aro fixo (sistemas de correr tri-rail)

- Pela aplicação de um segundo caixilho.

De fácil aplicação e integração, é utilizada para janelas de batente ou de correr e disponível para todo o tipo de aberturas, possibilitando a máxima segurança para que possa usufruir de um sono tranquilo.

Além de permitir o arrefecimento da habitação com ar fresco e saudável ajuda-o a economizar noutro tipo de soluções de arrefecimento.

A rede mosquiteira é essencial para o bem-estar da sua família.

Feel all the freedom, comfort and protection in your home with the aluminium solutions for mosquito nets.

The navarra® mosquito net is the ideal system to ventilate your home during hot weather, being an effective and functional protection against the entry of insects.

The mosquito net is a complementary option to windows, with two application solutions:

- Integrated in the fixed frame (tri-rail sliding systems)

- By the application of a second frame.

Easy to apply and integrate, it is used for casement or sliding windows and available for all types of openings, providing maximum security so that you can enjoy a peaceful sleep.

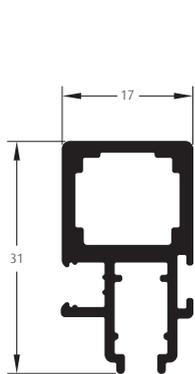

Besides allowing the cooling of the dwelling with fresh and healthy air, it helps you to save on other types of cooling solutions.

The mosquito net is essential for the well-being of your family.
