

N27 000

SISTEMA MINIMALISTA DE CORRER COM RPT

MINIMALIST SLIDING SYSTEM WITH THERMAL BREAK

O sistema minimalista de correr N27000 apresenta excelentes desempenhos térmicos e acústicos sendo uma das opções de caixilharias minimalista para projetos de arquitetura.

Esta solução de alumínio permite a realização de vãos com enchimentos até 38 mm, onde as ombreiras, soleiras e padieiras se podem incorporar na construção, resultando em elevados níveis de luminosidade, sem descuidar a funcionalidade.

Com uma vista em alçado de 26,5 mm, permite a execução de vãos com um peso de até 300 kg por folha.

A N27000 tem como opção a integração, na soleira, de um perfil para escoamento de águas.

Este sistema está disponível nas versões mono-rail, bi-rail, tri-rail e quadri-rail.

The minimalist N27000 sliding system has excellent thermal and acoustic performance and is one of the minimalist frame options for architectural projects.

This aluminum solution makes it possible to create openings with fillings of up to 38 mm, where the jambs, sills and rails can be incorporated into the construction, resulting in high levels of luminosity, without neglecting functionality.

With an elevation view of 26,5 mm, it can be used for spans weighing up to 300 kg per sheet.

The N27000 has the option of integrating a water drainage profile into the sill.

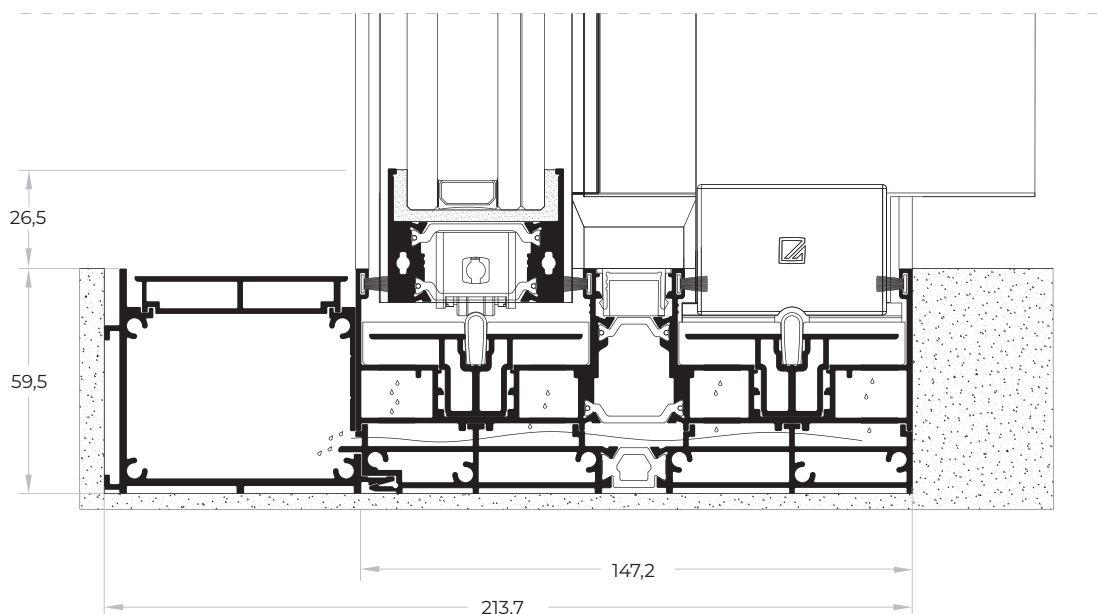

This system is available in mono-rail, bi-rail, tri-rail and quadri-rail versions.
